- This product is heavy. Take extreme care when lifting to avoid personal injury or damage to the product.
- Assemble the product as close to its intended final position in the room as possible.

General Care

Wipe clean with a slightly damp soft cloth.

Avoid the use of all household cleaners and abrasives.

When moving your furniture, carefully lift into place.

Never drag or push the pieces across the floor as this will cause damage to the joints and could result in failure to the product that will invalidate the warranty.

Recommendations

Periodical re-tightening of fixings.
