## **IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.**

### **INFORMATION**

- This product is designed to hold 10Kg in total, spread evenly over the whole unit.
- Do not exceed this weight.
- We recommend that this unit is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent them from scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly
- Tools not included unless specified in parts list.

### **WARNINGS**

- DO NOT use power tools to construct this product.
- DO NOT tighten screws until parts are assembled or as advised in this guide.
- DO NOT over tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- This is a TV Unit designed to hang from the wall, only use the brackets provided.
- **INSTALLATION WARNINGS:**
  1. In order to prevent the product falling down this product must be installed with the wall hanging device(s) provided - do not use any other means to support the product.
  2. Carefully assess the suitability of the wall to ensure that the fastening device will withstand the load and forces generated. Walls can be quite different in construction so fixings are not supplied - choose the most suitable fixing for your wall type - if in doubt consult an expert.
  3. When drilling the wall always be sure the area to be drilled is free from hidden electrical wiring, water or gas pipes.
  4. The assembly of this product must be done carefully following the detailed stages in the Assembly Instruction.
  5. Installation of this product needs to be carried out in accordance with the following instructions, see Stage 13 onwards...

### **CARE INFORMATION**

- Never use scourers, abrasives or chemical cleaners.
- To clean, wipe with a damp sponge.
- Do not use solvent based cleaners or detergents as they can bleach or damage the product.

### Parts and Fittings Checklist

Please check the pack contents before assembling the product. If any components are missing, please contact your retailer.

The fittings pack contains small items that should be kept away from children.
