## Assembly Instructions

---

Thank you for purchasing a Birlea product.

For a chance to win a Love 2 Shop voucher simply post a picture of your new product on your preferred social channels tagging Birlea Furniture and using the hashtag #ShareYourStyle and #Birlea. One winner will be selected at random each month.

To view our full terms and conditions please visit our website. [www.birlea.com](http://www.birlea.com)

---

### Are you happy with your purchase?

**Yes:** That's great, we would love to hear more from you. Please leave us a review on our social media channels or Trustpilot. Your feedback will be greatly appreciated.

**No:** If for any reason there is something missing, indifferent or incorrect with your order, please contact the retailer you purchased the item from. We will work with the retailer to resolve your issue as quickly as possible.

## ASSEMBLY INSTRUCTIONS ONYX GAMING COMPUTER DESK

**IMPORTANT: READ THESE INSTRUCTIONS CAREFULLY BEFORE ASSEMBLING OR USING YOUR ONYX GAMING COMPUTER DESK**

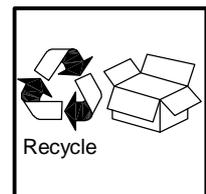

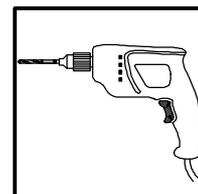

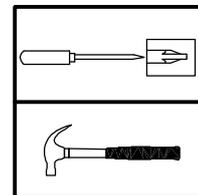

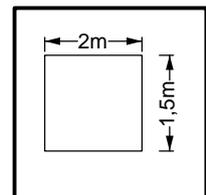

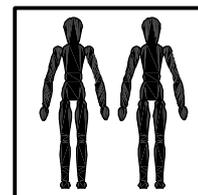

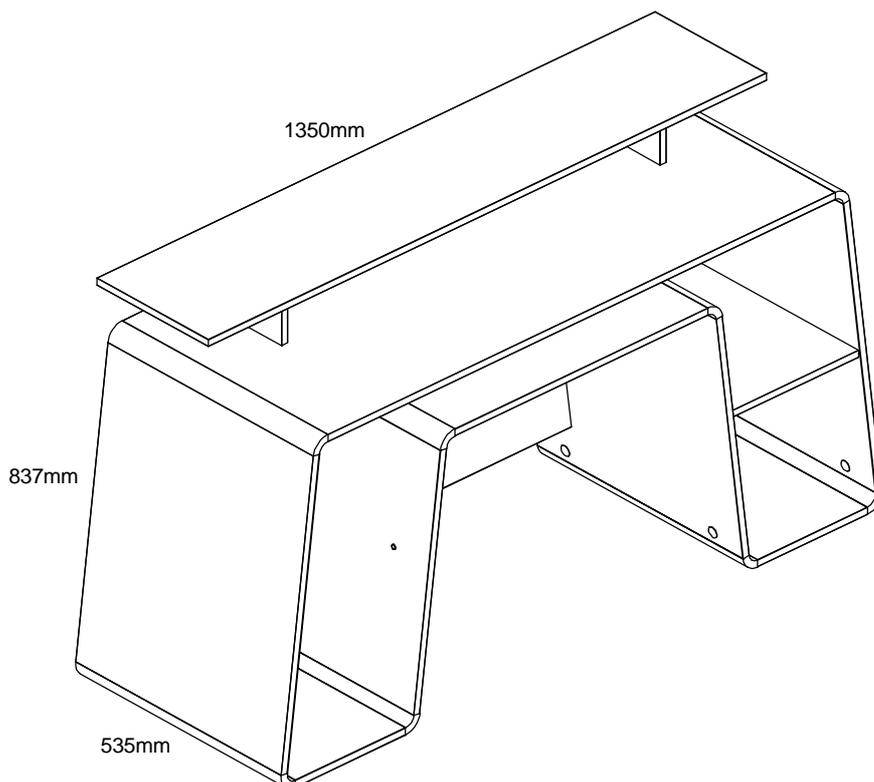

**PLEASE KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE.**

### **HEALTH & SAFETY:**

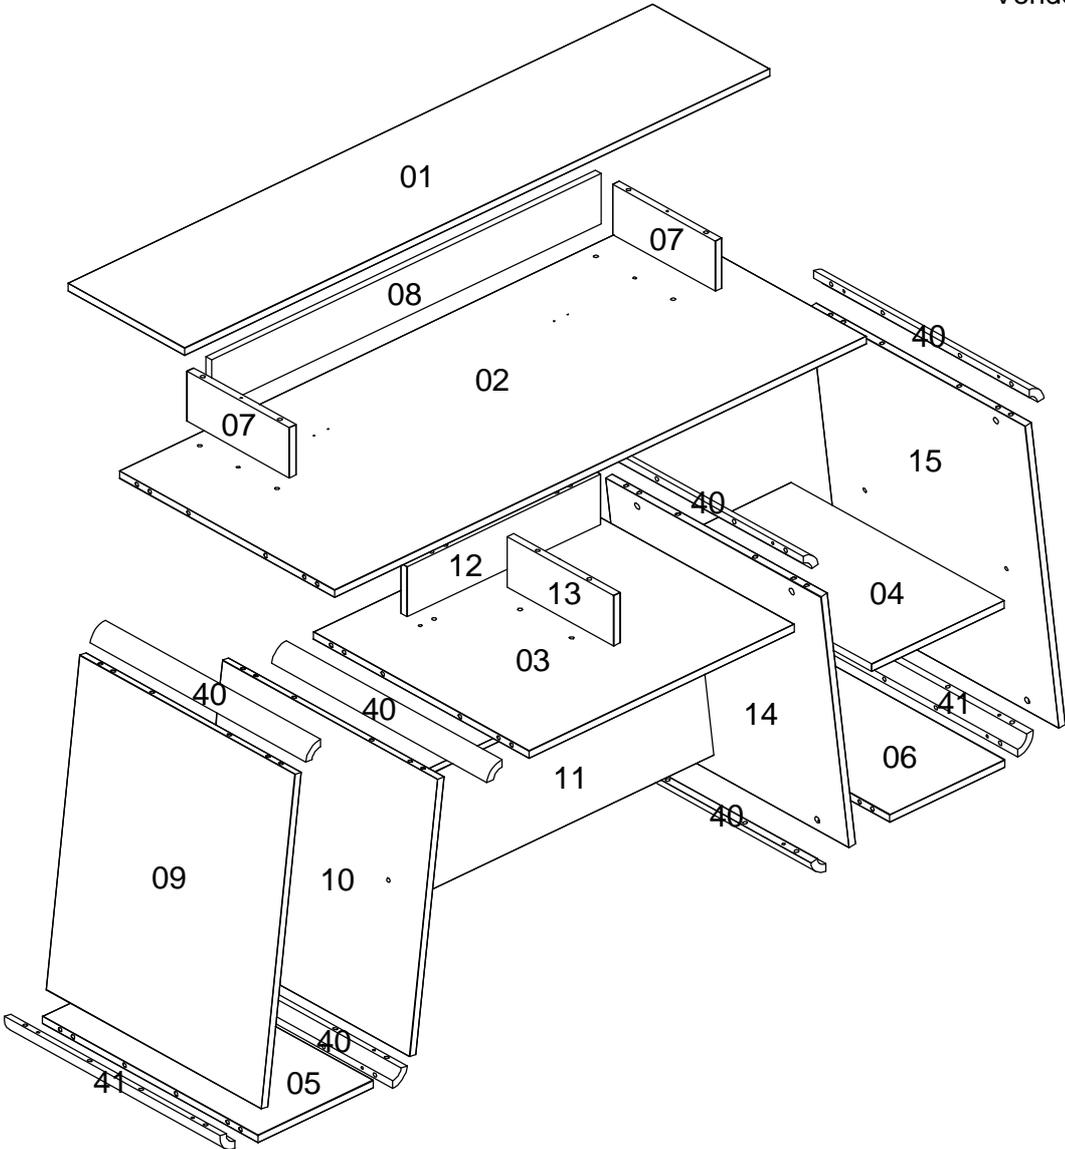

DO NOT use this item if any parts are missing, damaged or worn.  
DO NOT use this item unless all fixings are secured.  
Please keep small parts out of reach of children  
Always use on a level, even surface.

### **CARE & MAINTENANCE:**

Assemble in the room of use  
Assembly should be carried out with this item laying flat, not standing upright.  
Assemble on a soft, clean surface to prevent damages.  
To remove the printed numbers on the pieces, use the eraser provided  
Periodically check all screws & fixings to ensure they are secure.  
DO NOT push the item as this will damage the base.  
Always lift the item with two people to reposition.  
Keep any sharp objects away from the item.

**Step 1:** Insert hardware part J with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

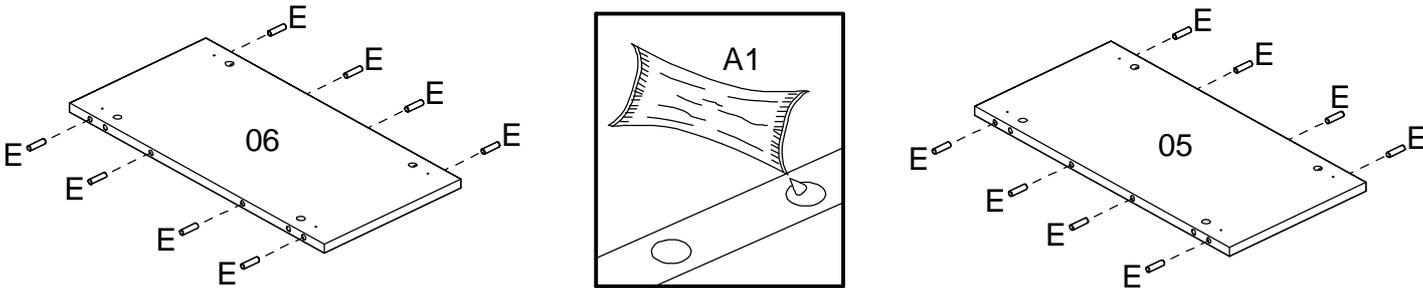

**Step 2:** Insert hardware part E using hardware part A1 and a small mallet (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

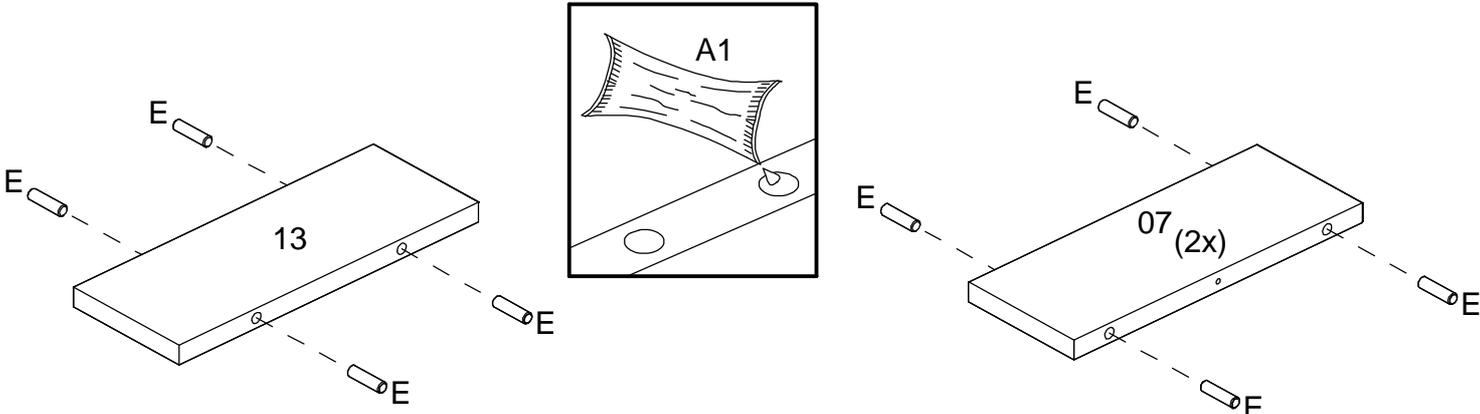

**Step 3:** Insert hardware part E using hardware part A1 and a small mallet (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

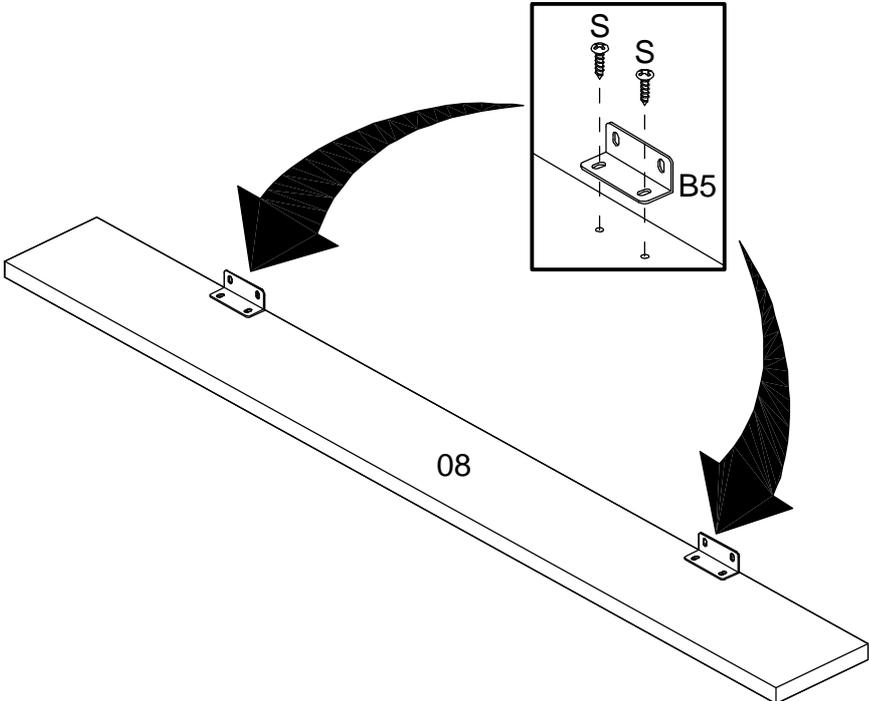

**Step 4:** Insert hardware part E using hardware part A1 and a small mallet (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

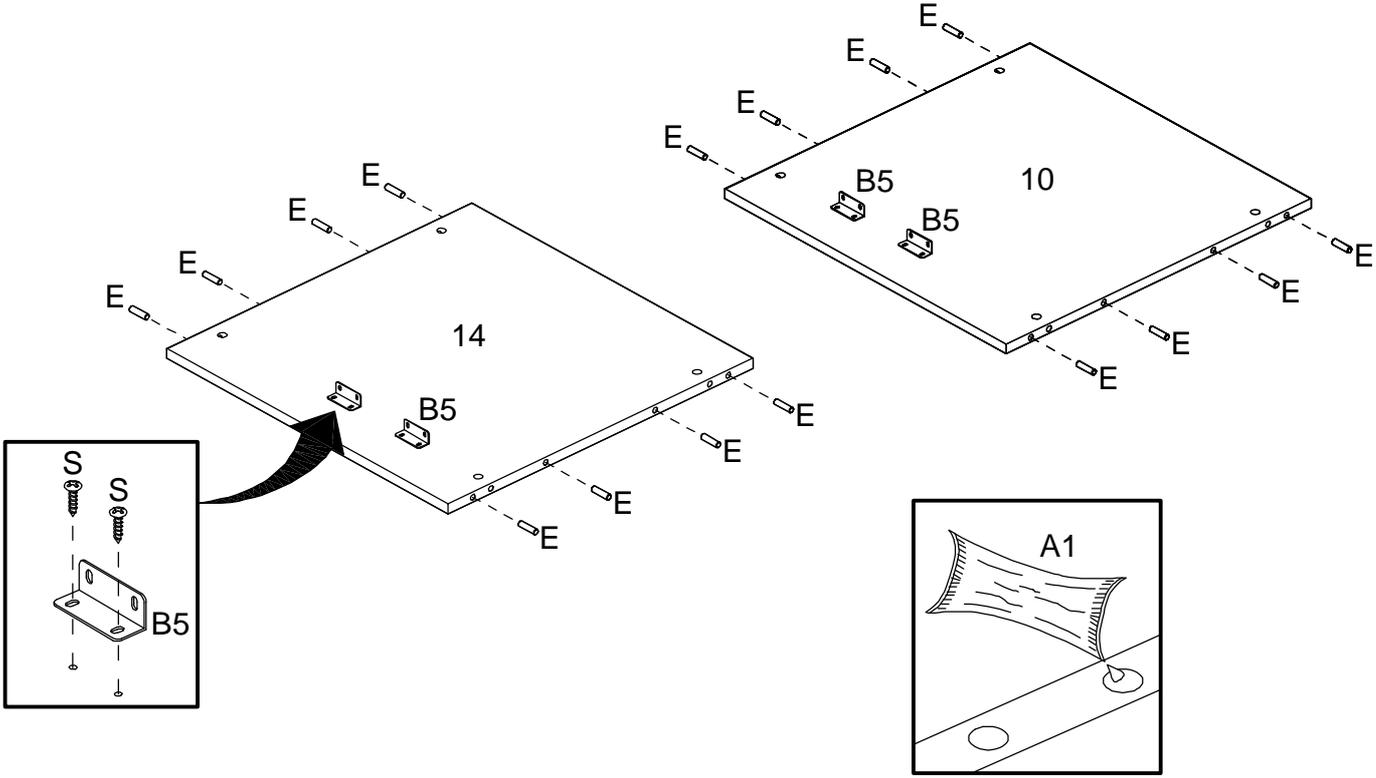

**Step 5:** Insert hardware part E using hardware part A1 and a small mallet (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

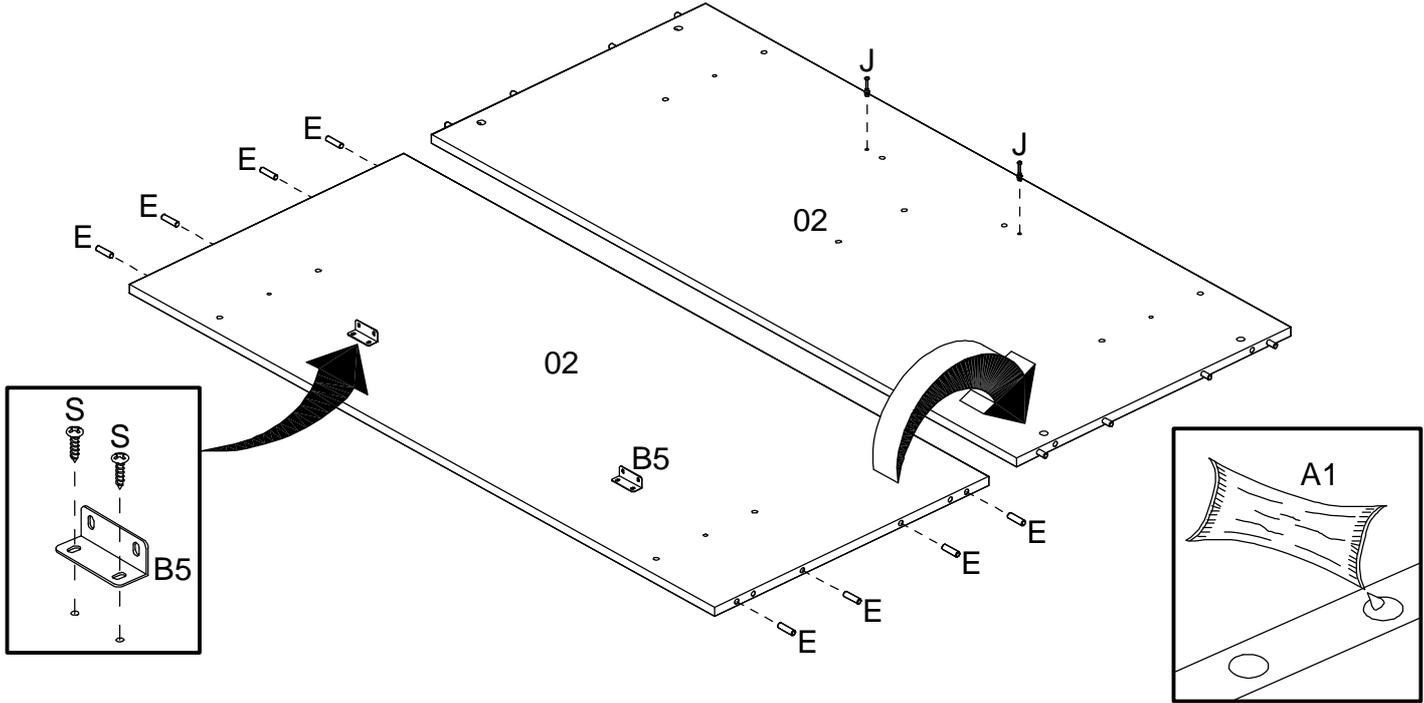

**Step 6:** Insert hardware part B5 using hardware part S and screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

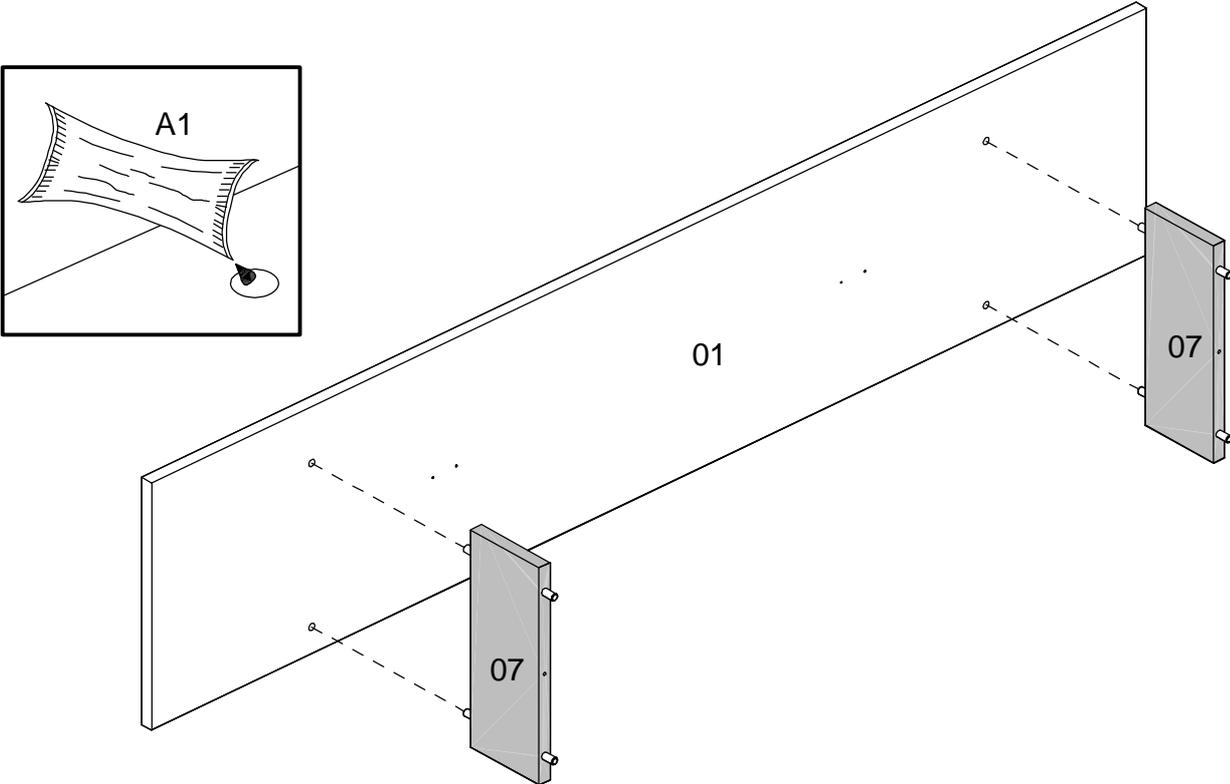

**Step 7:** Insert hardware part E using hardware part A1 and a small mallet (not provided). Then Insert hardware part B5 using hardware part S and screwdriver (not provided). **DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

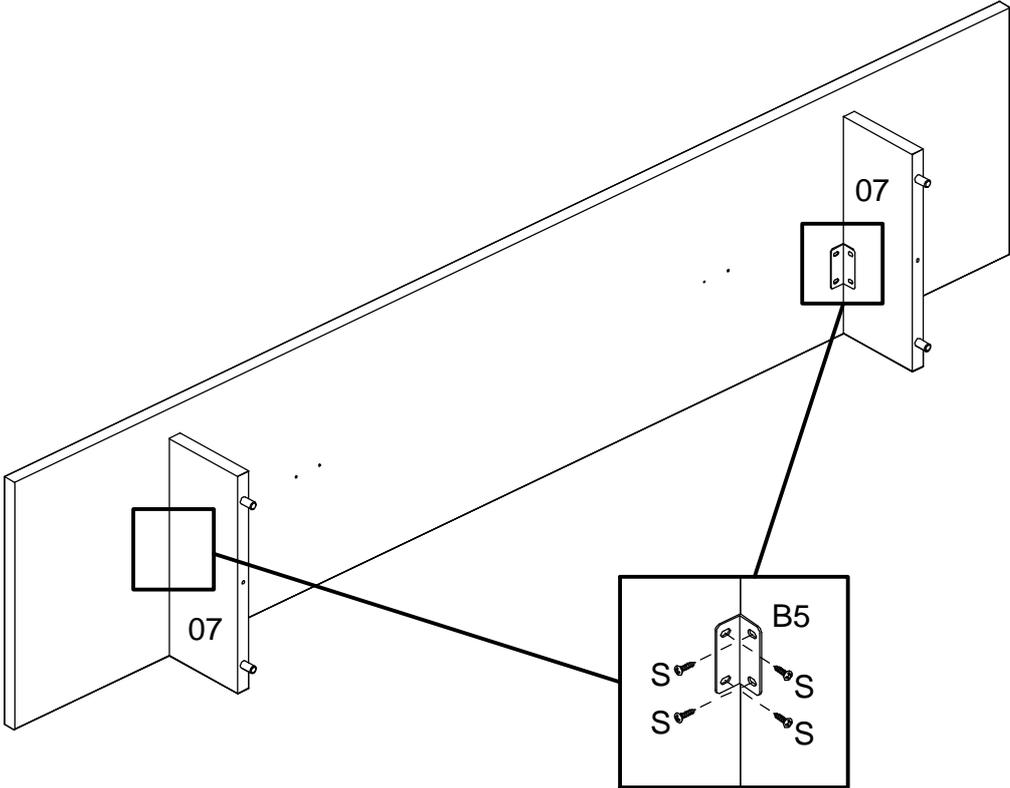

**Step 8:** Insert hardware part E using hardware part A1 and a small mallet (not provided). Then Insert hardware part B5 using hardware part S and screwdriver (not provided). then Insert hardware part J using the screwdriver (not provided). **DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

**Step 9:** Attach the base monitor (01) to the left/right side base monitor (07) using hardware part A1.  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

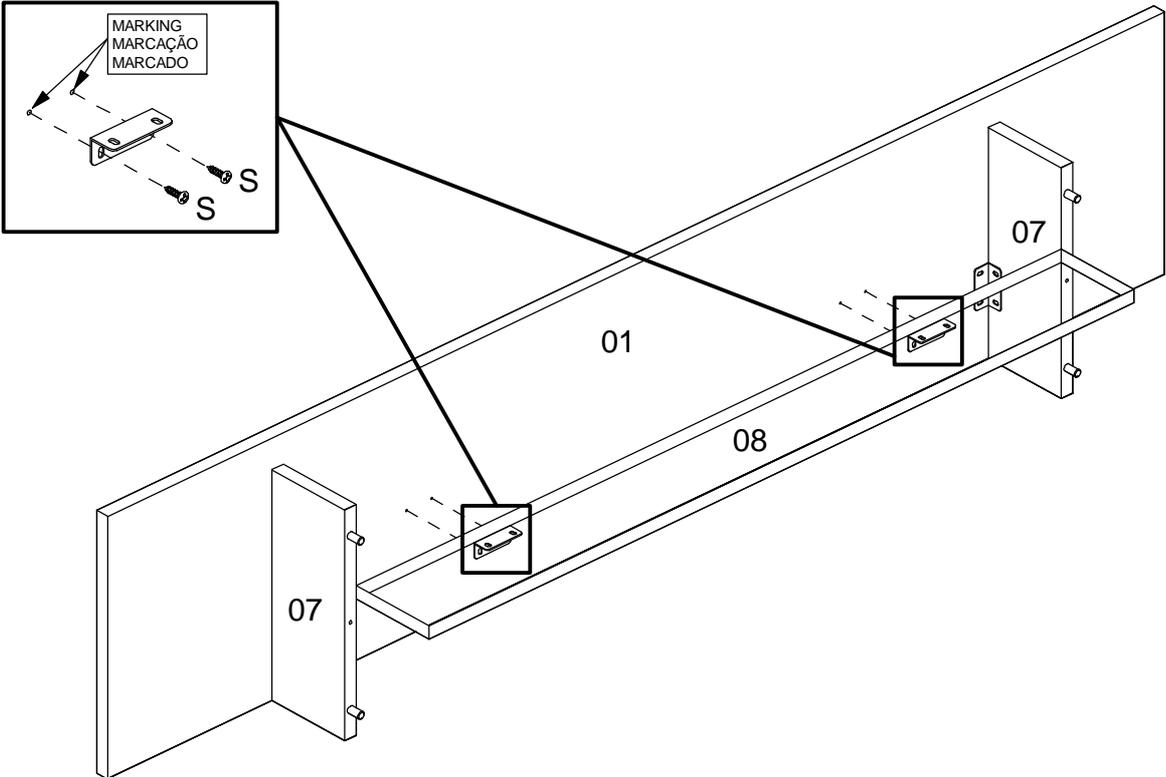

**Step 10:** Insert hardware part B5 using hardware part S with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

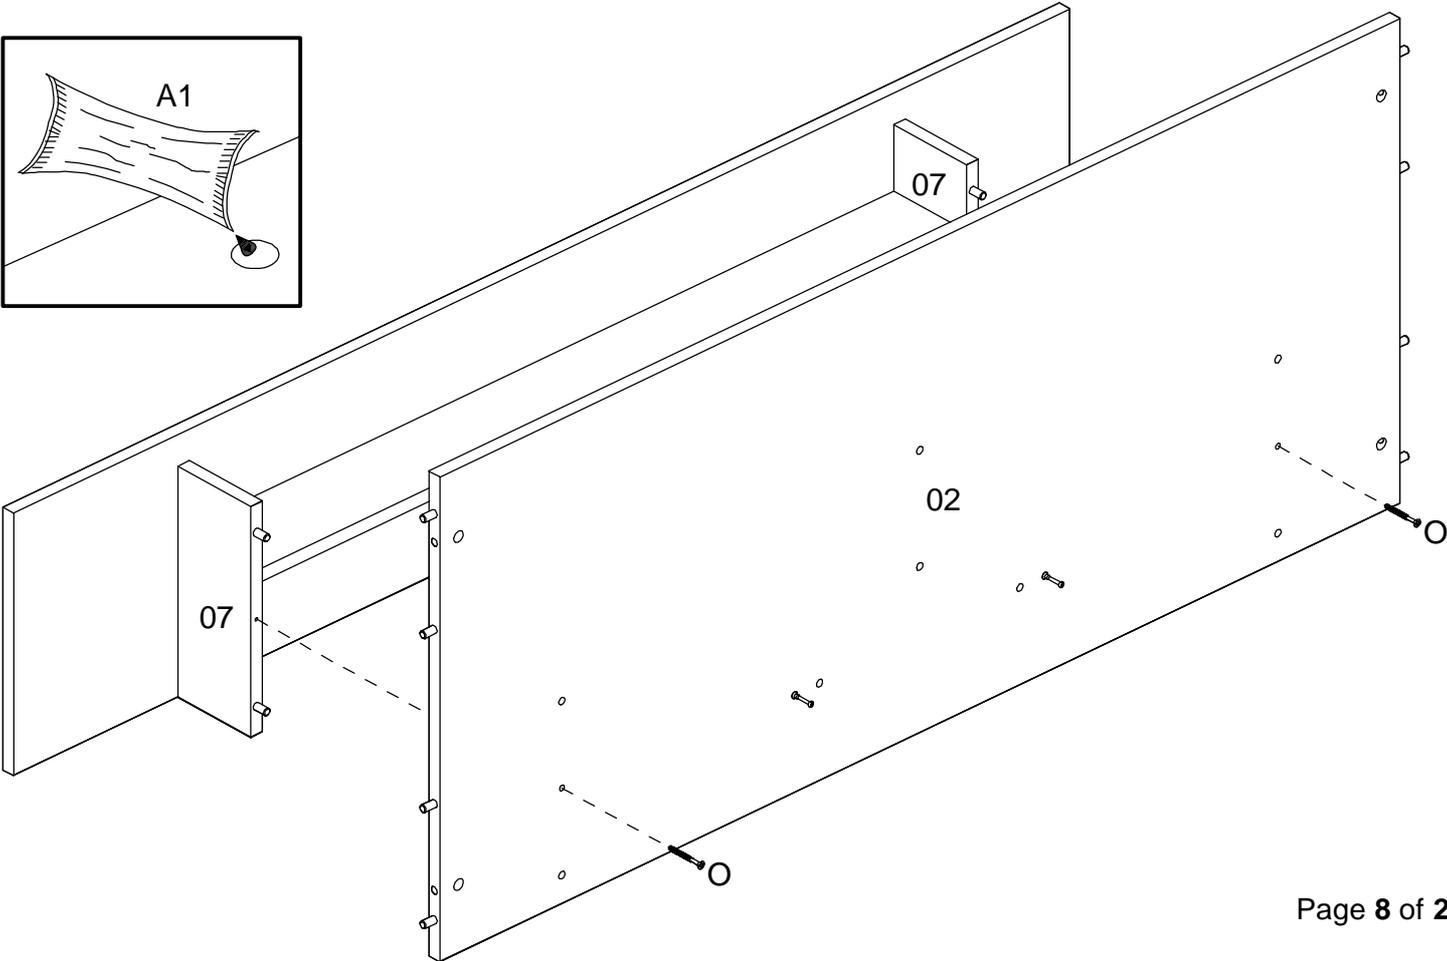

**Step 11:** Join the tray monitor base (08) to the assembled section using hardware part S with a screwdriver (not provided).

**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

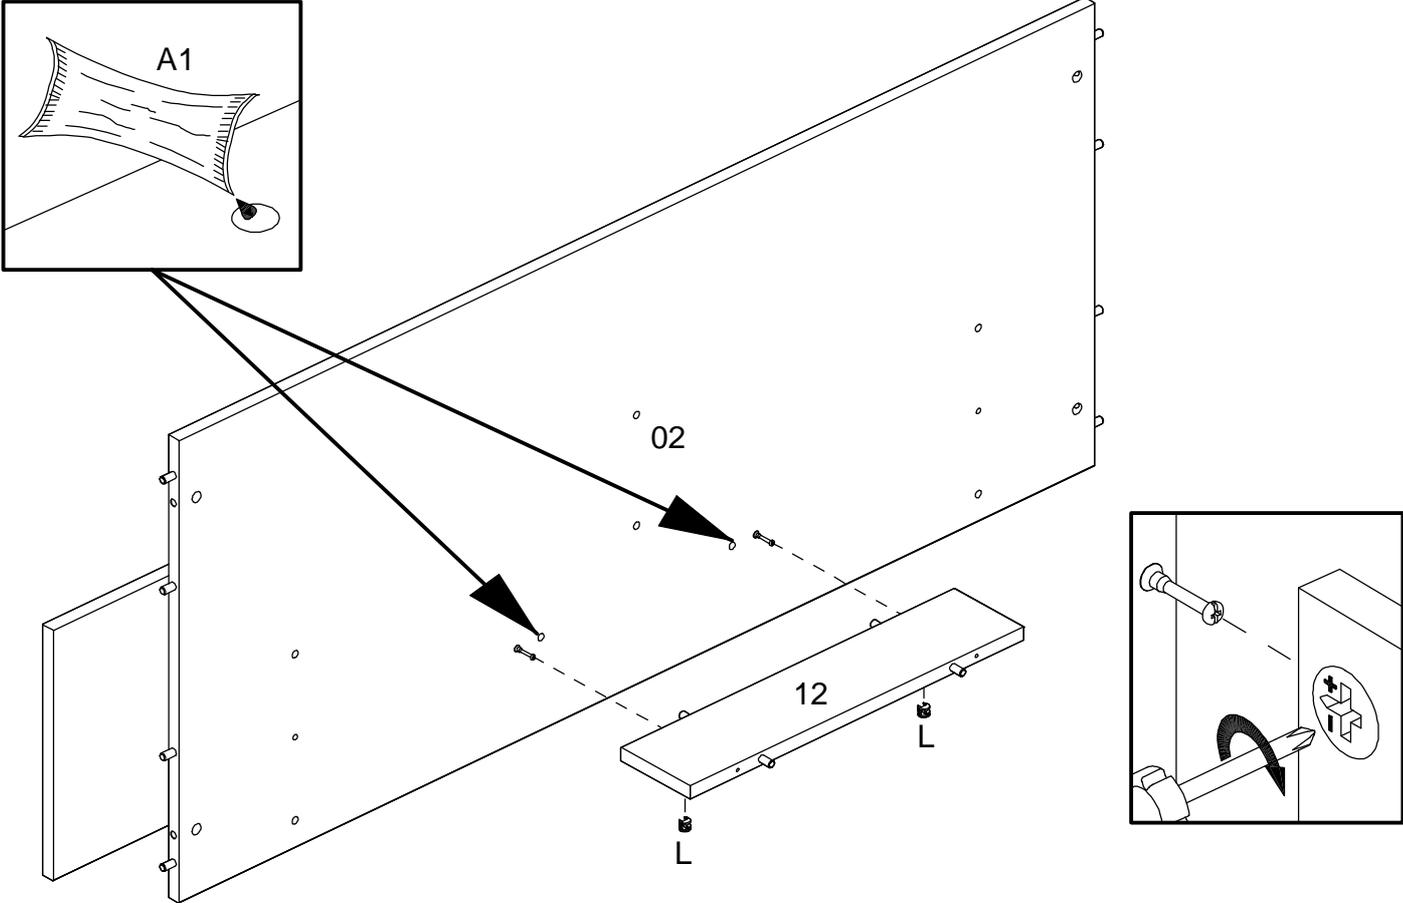

**Step 12:** Join the top (02) to the assembled section using hardware part A1 and O with a screwdriver (not provided).

**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

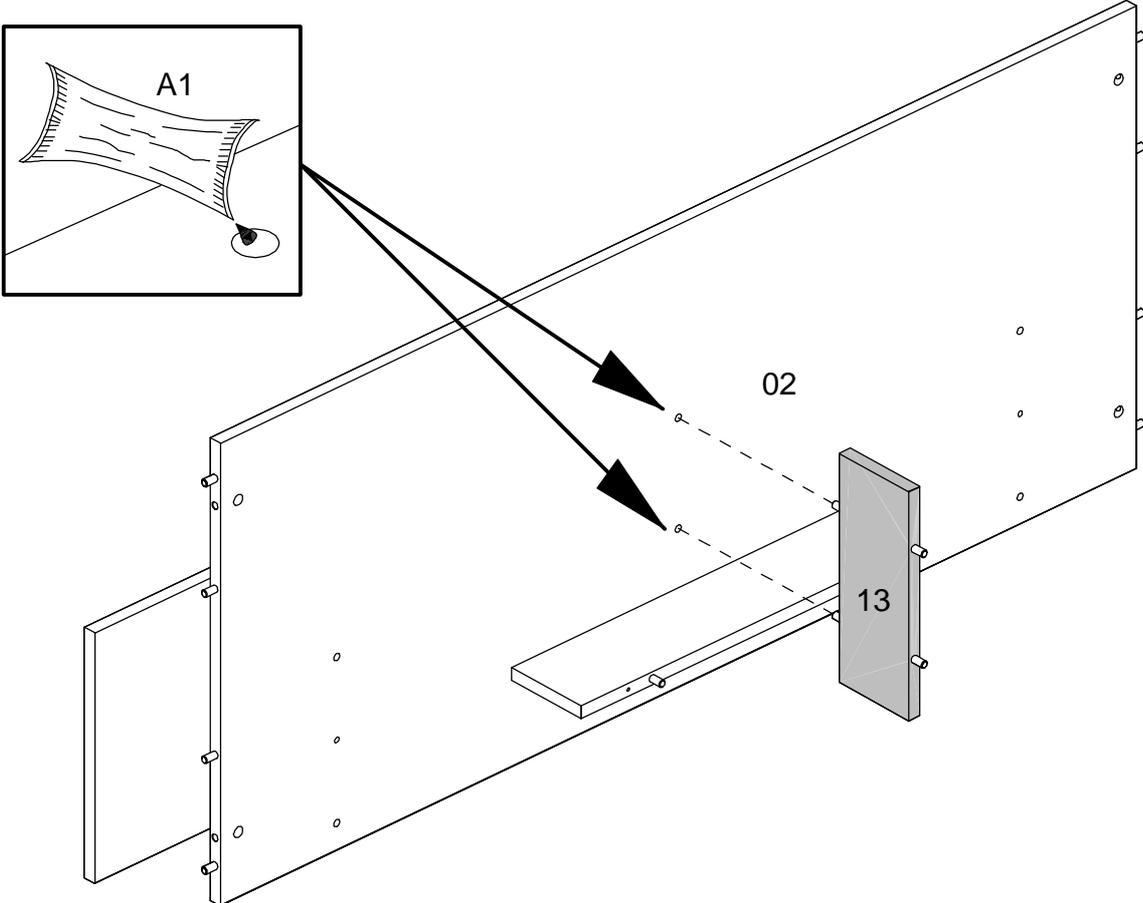

**Step 13:** Join the tray rear (12) to the assembled section using hardware part A1 and L with a screwdriver (not provided).

**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

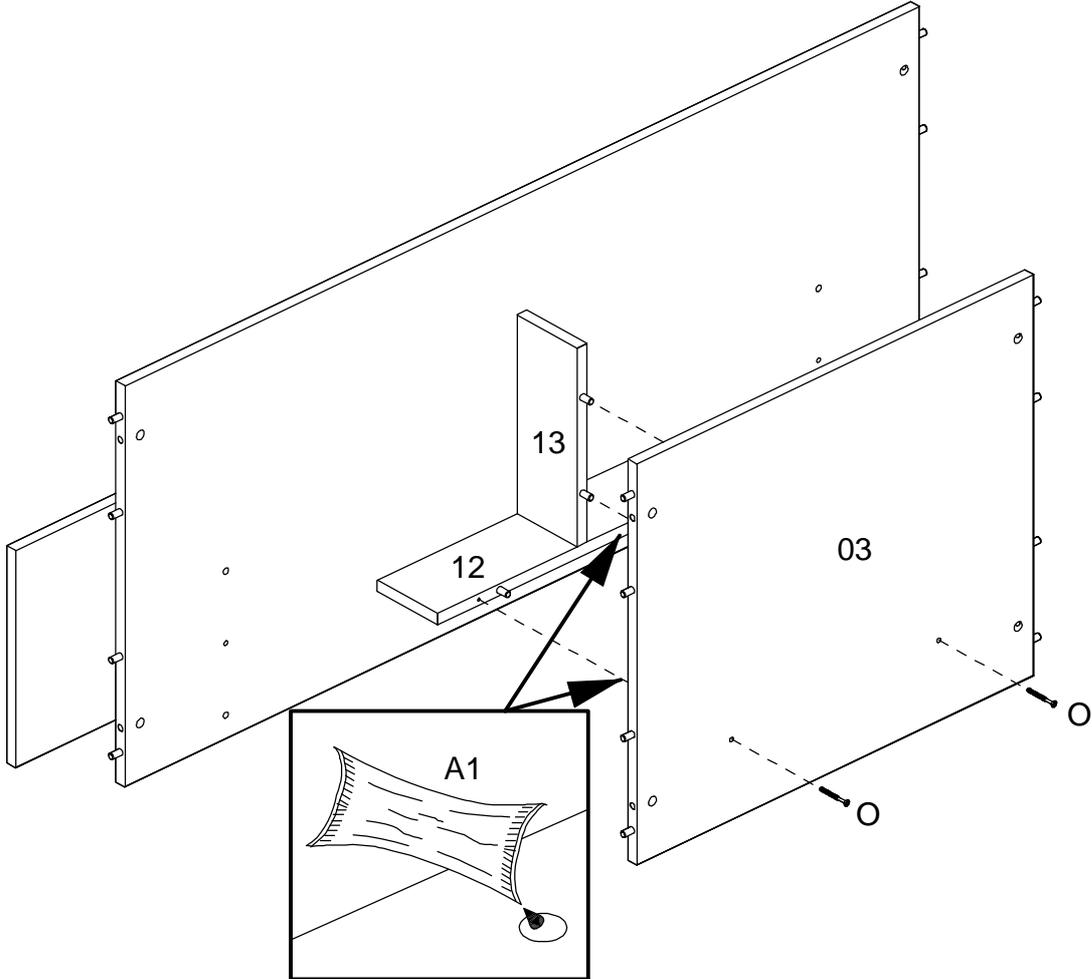

**Step 14:** Insert the tray top (13) to the top (02) using hardware part A1.

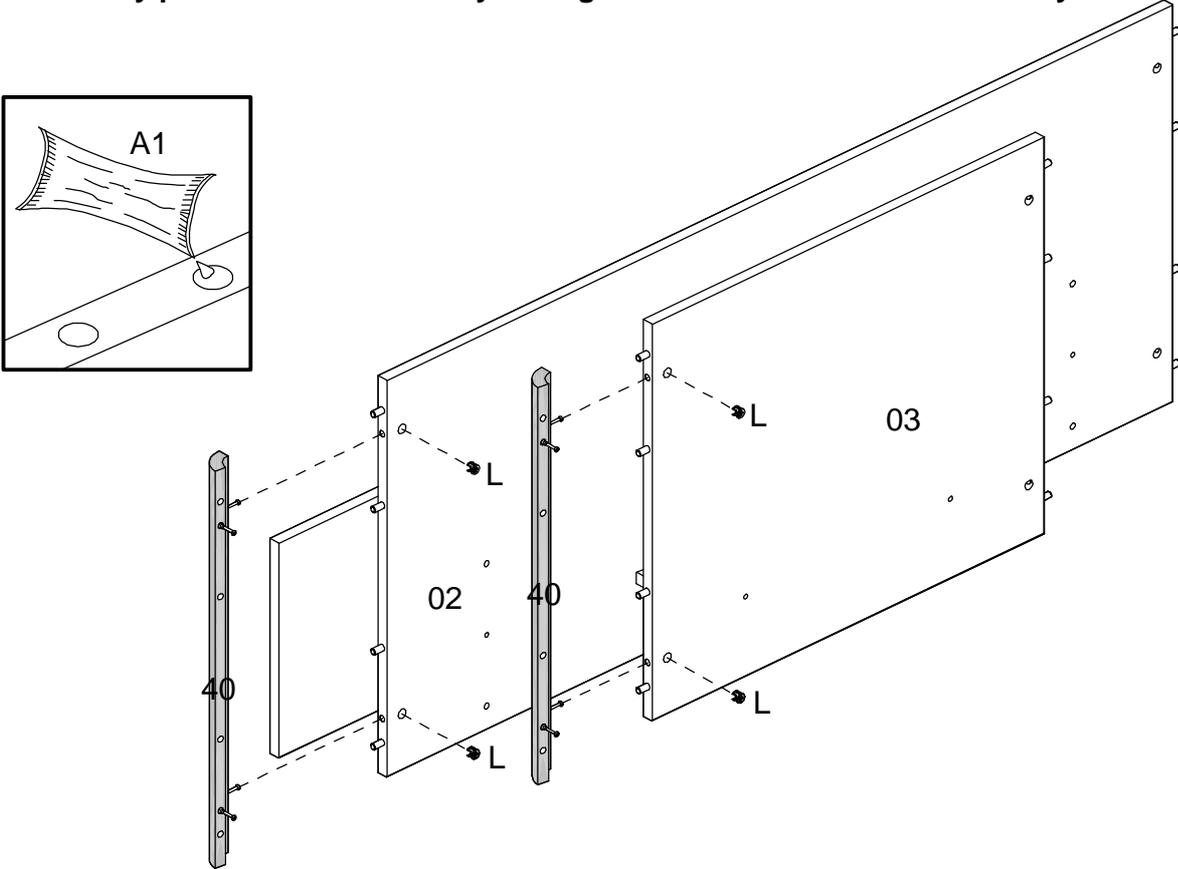

**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

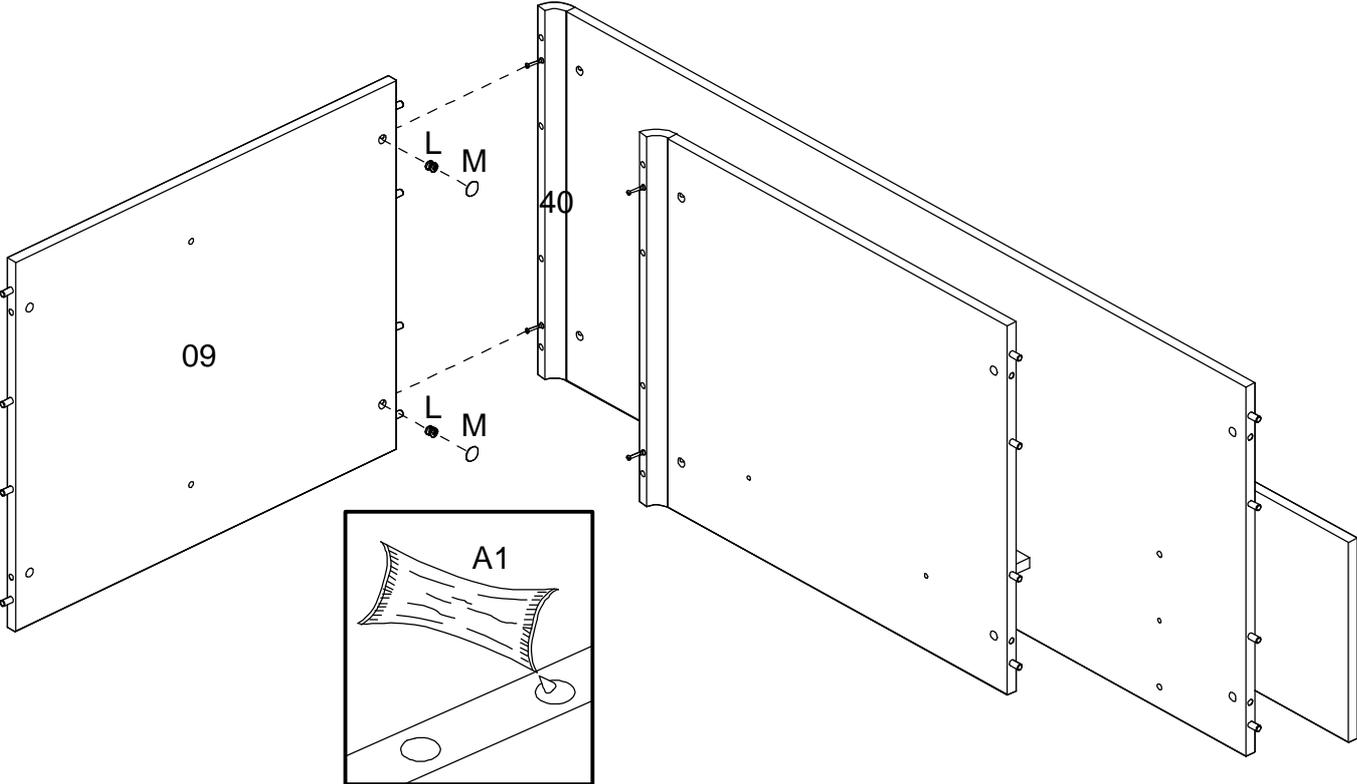

**Step 15:** Join the base (03) to the assembled section using hardware part A1 and O with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

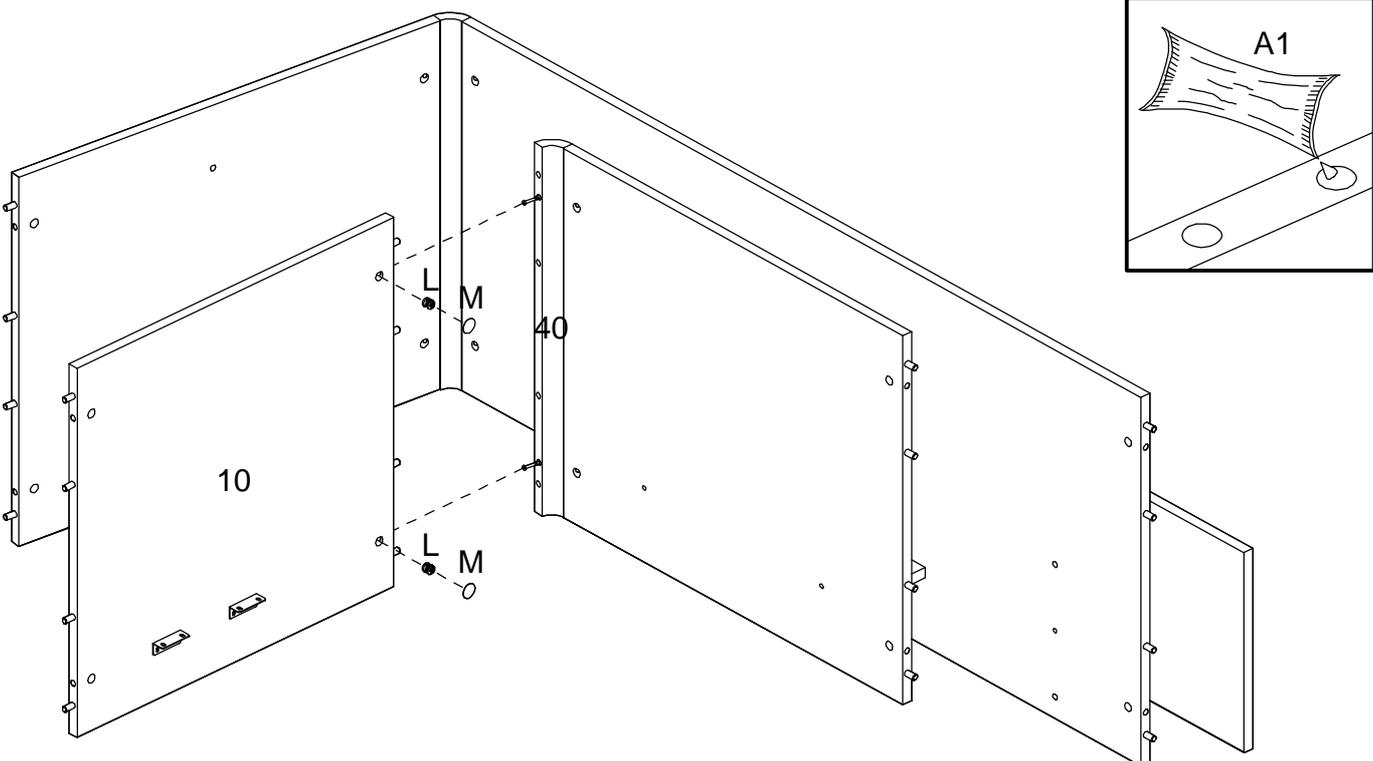

**Step 16:** Join the curved frame (40) to the assembled section using hardware part A1 and L with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

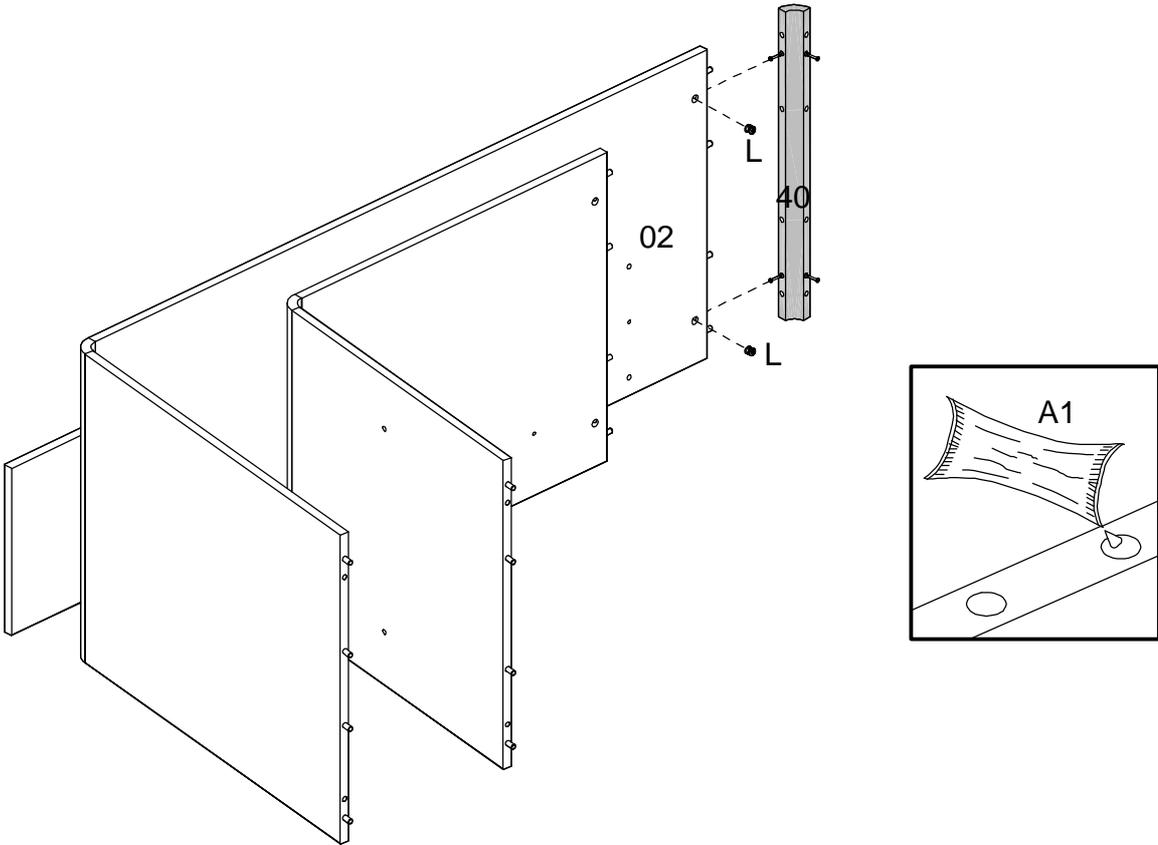

**Step 17:** Join the left side (09) to the assembled section using hardware part A1 and L with a screwdriver (not provided). Then insert the hardware part M to the left side (09).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

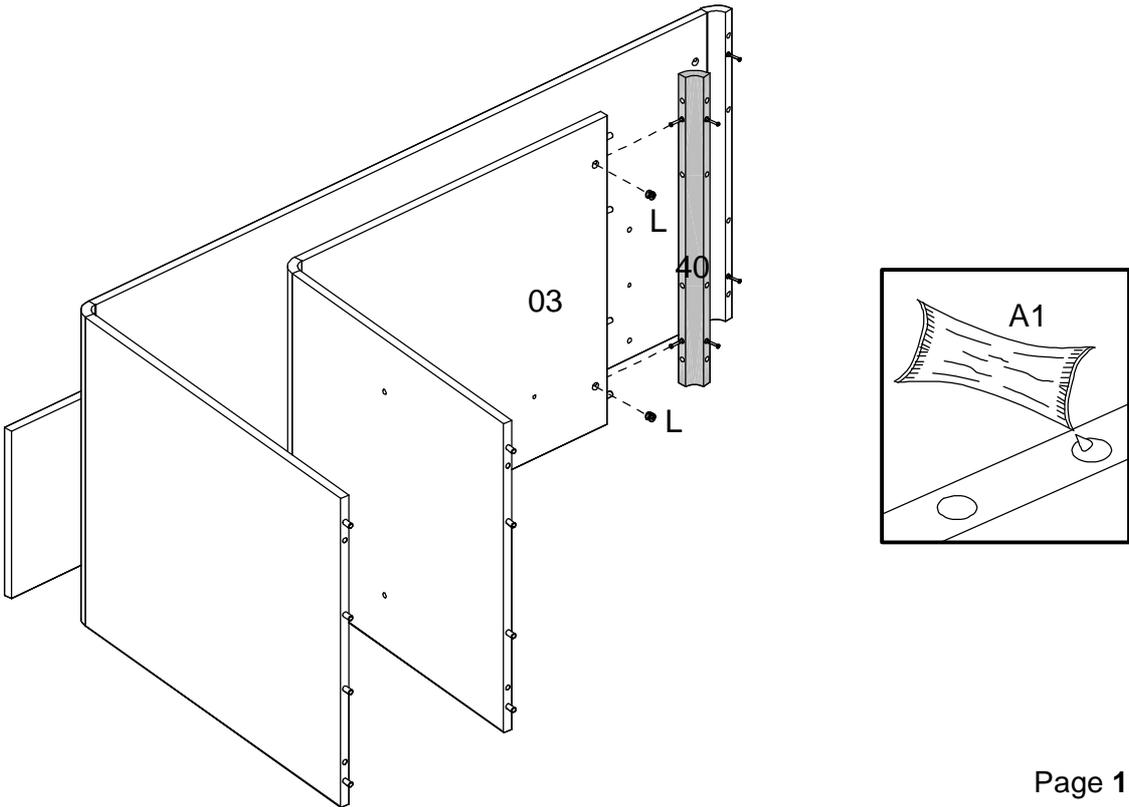

**Step 18:** Join the left division (10) to the assembled section using hardware part A1 and L with a screwdriver (not provided). Then insert the hardware part M to the left division (10).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

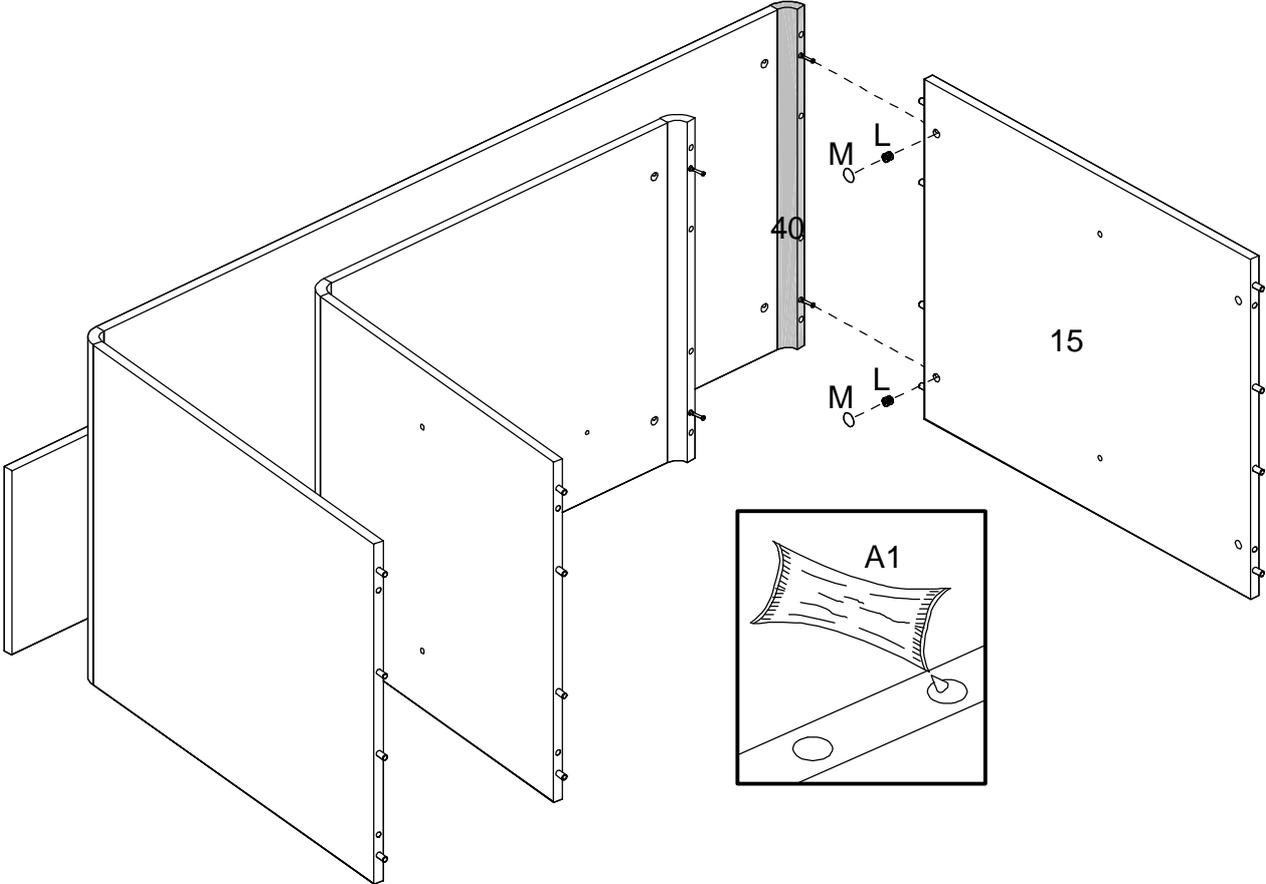

**Step 19:** Join the curved frame (40) to the assembled section using hardware part A1 and L with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

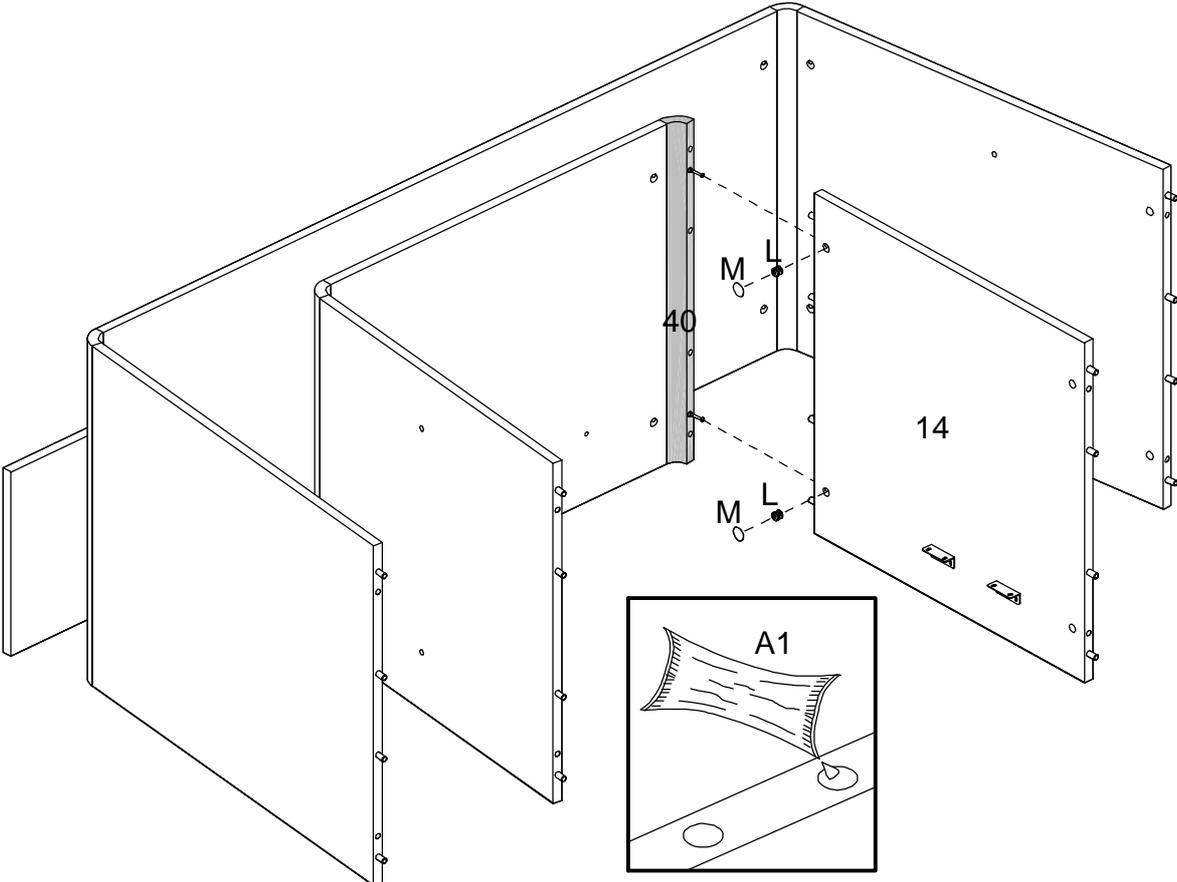

**Step 20:** Join the curved frame (40) to the assembled section using hardware part A1 and L with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

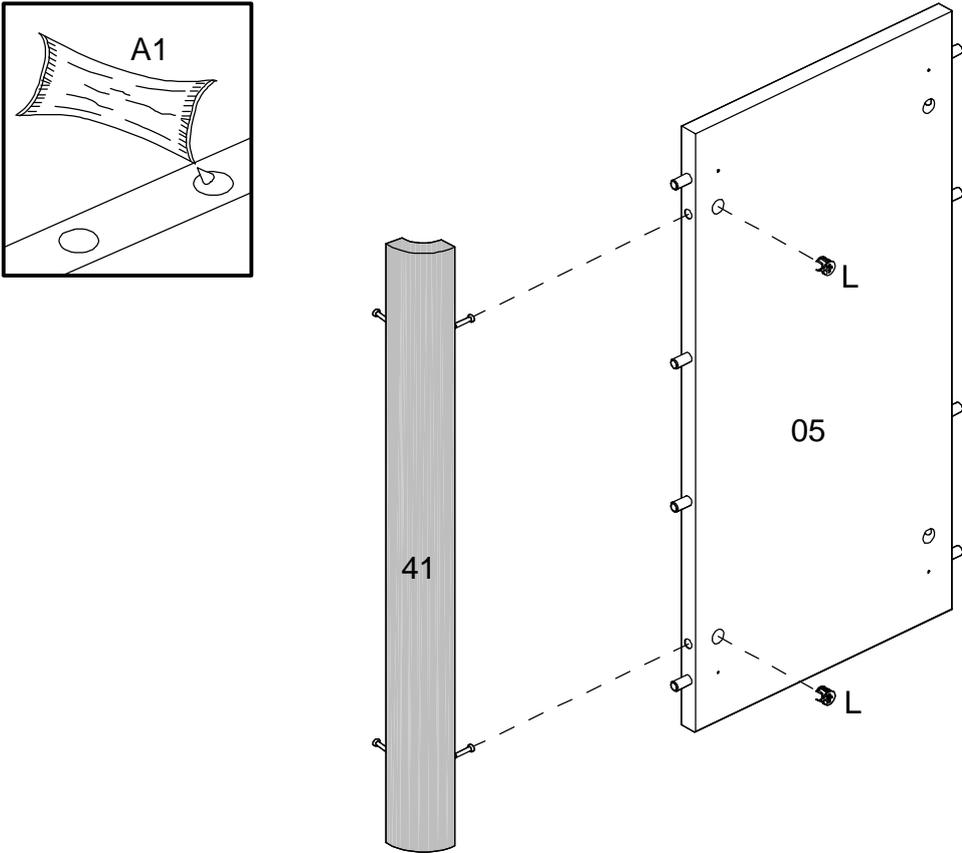

**Step 21:** Join the right side (15) to the assembled section using hardware part A1 and L with a screwdriver (not provided). Then insert the hardware part M to the right side (15).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

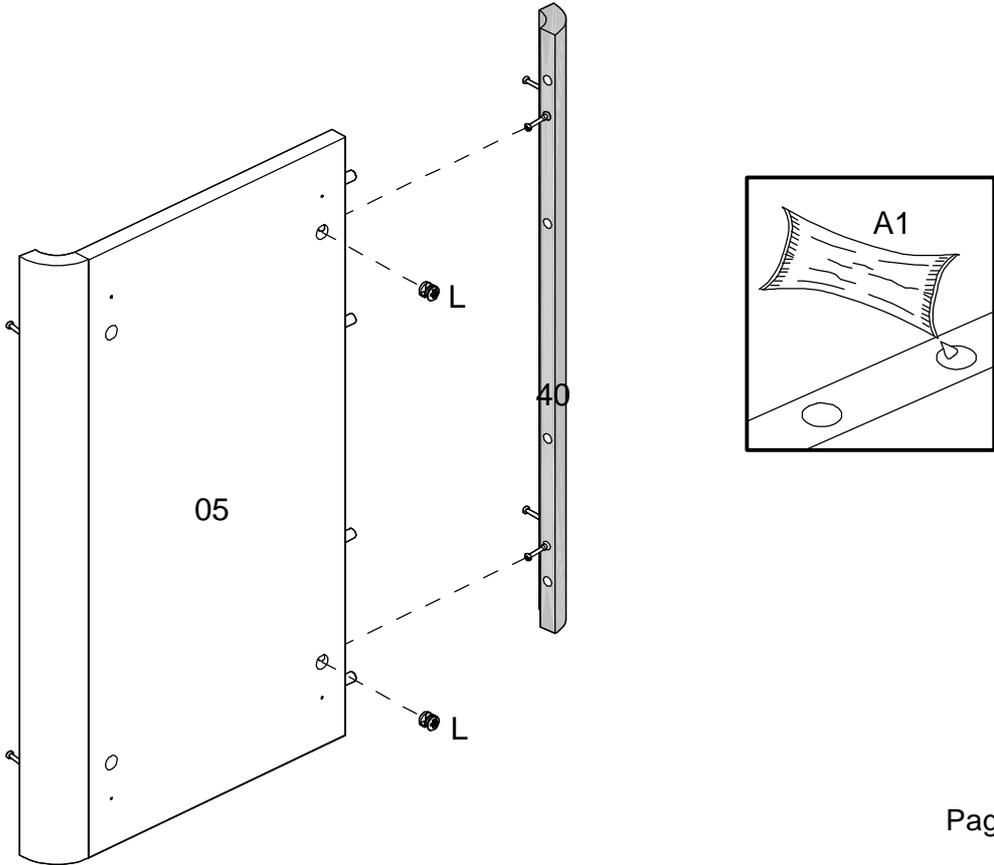

**Step 22:** Join the right division (14) to the assembled section using hardware part A1 and L with a screwdriver (not provided). Then insert the hardware part M to the right division (14).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

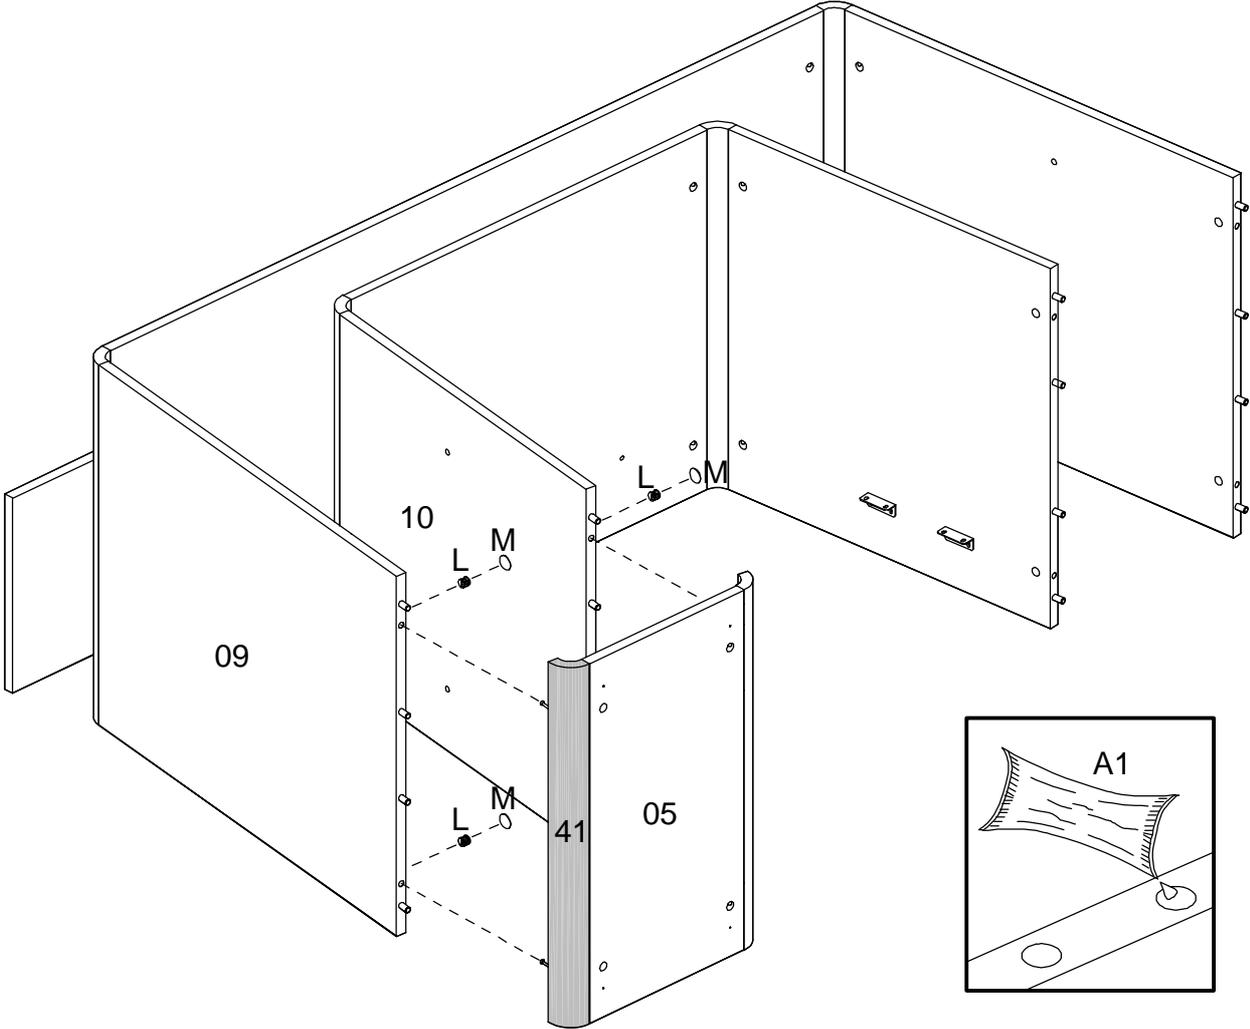

**Step 23:** Attach the curved frame (41) to the bottom left base (05) using hardware part A1 and L.  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

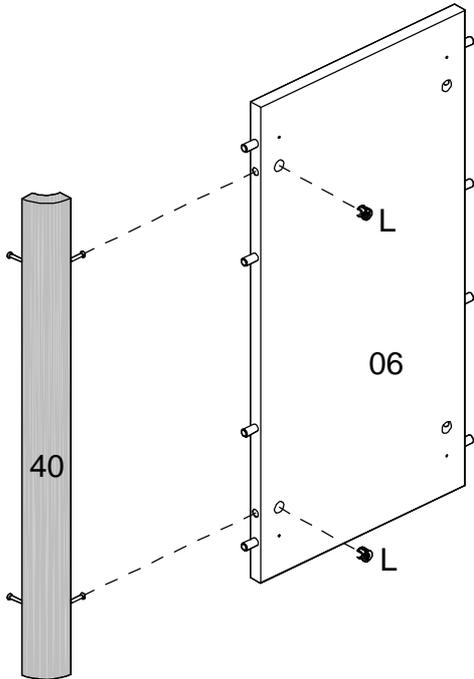

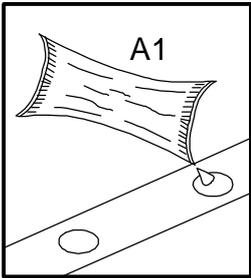

**Step 24:** Join the curved frame (40) to the assembled section using hardware part A1 and L with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

**Step 25:** Join the curved frame (40) and (41) to the assembled section using hardware part A1 and L with a screwdriver (not provided). Then insert the hardware part M to the left side (09) and left division (10). **DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

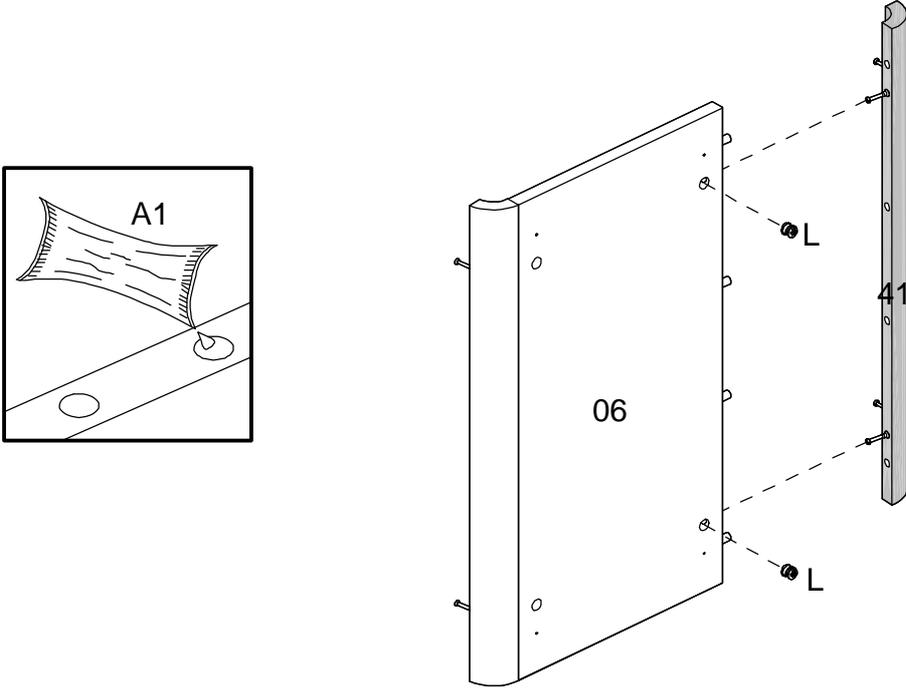

**Step 26:** Attach the curved frame (40) to the bottom right base (06) using hardware part A1 and L. **DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

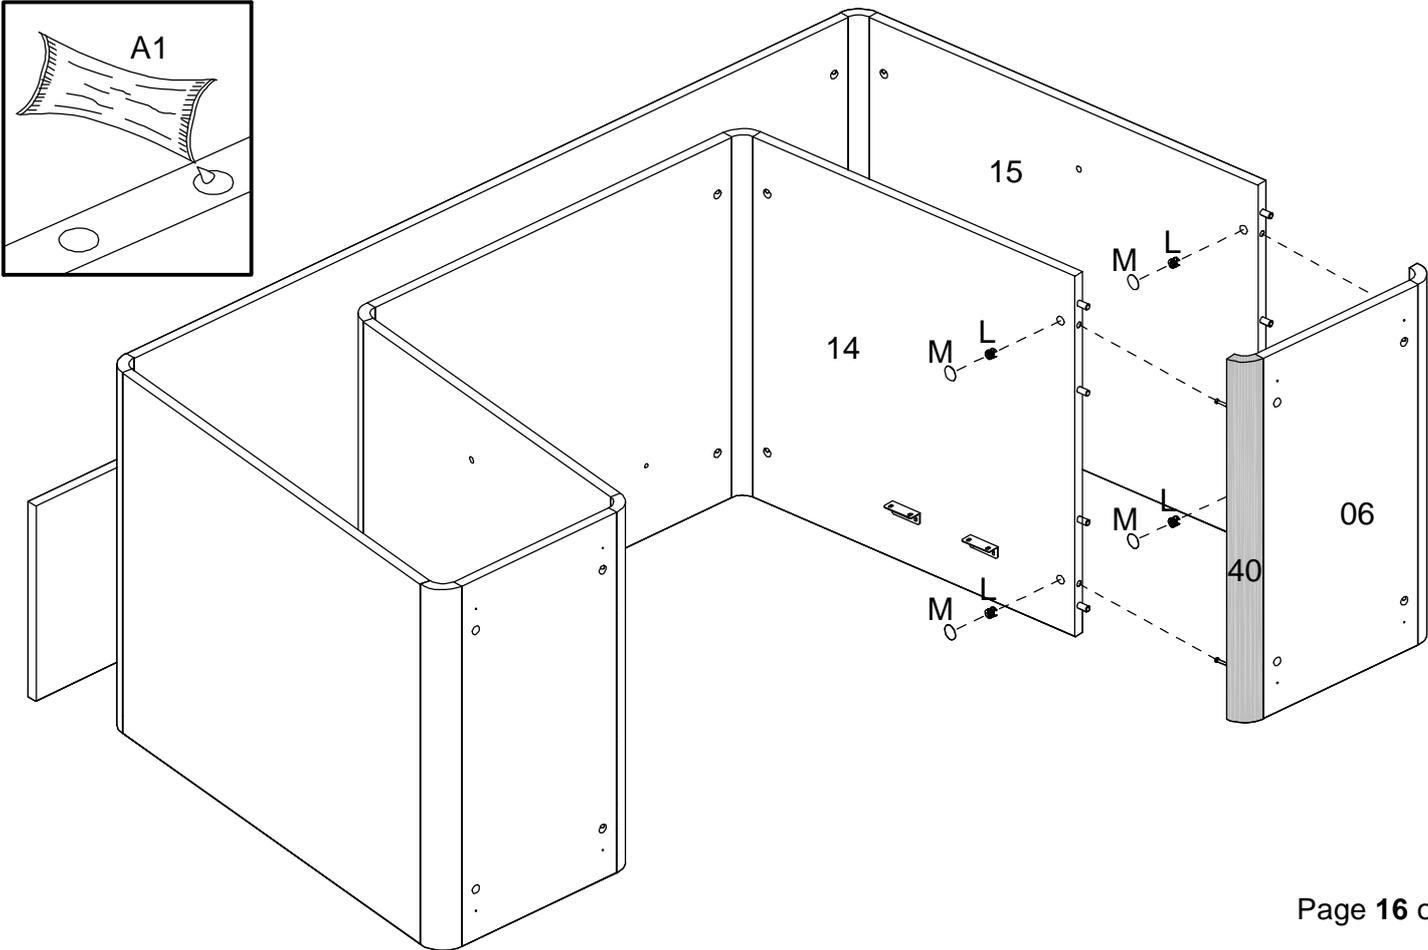

**Step 27:** Join the curved frame (41) to the assembled section using hardware part A1 and L with a screwdriver (not provided).

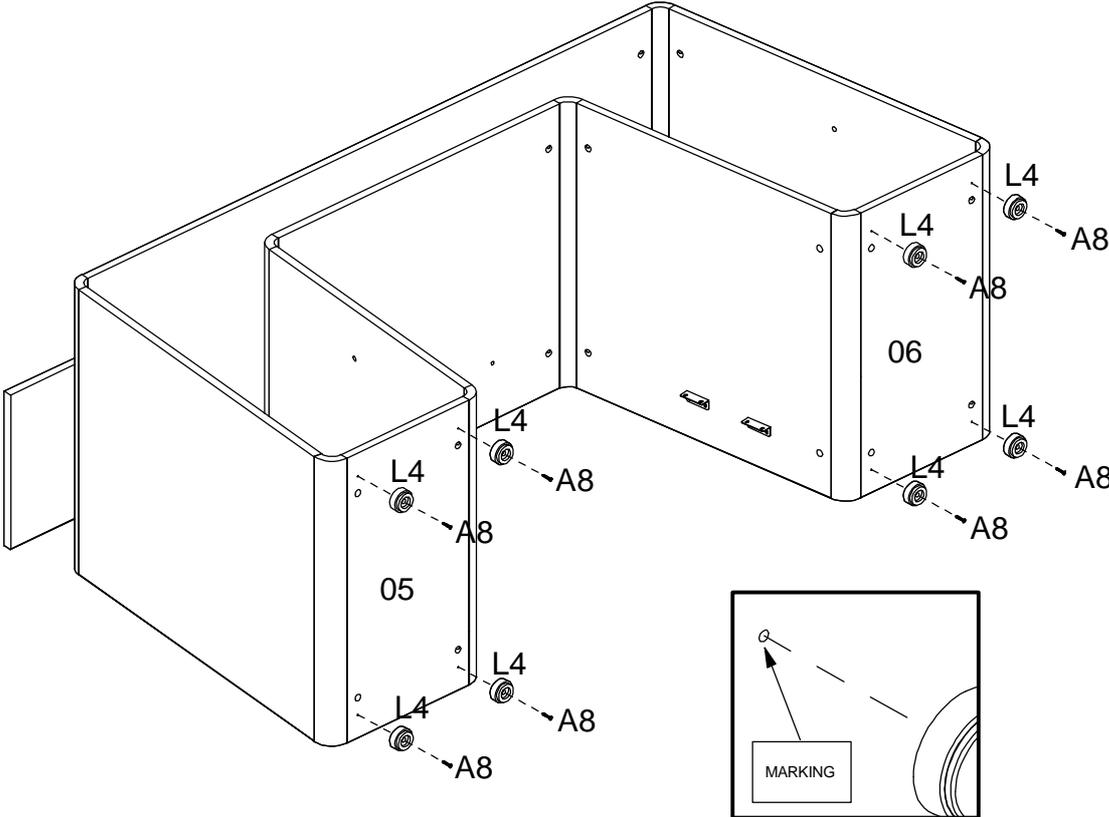

**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

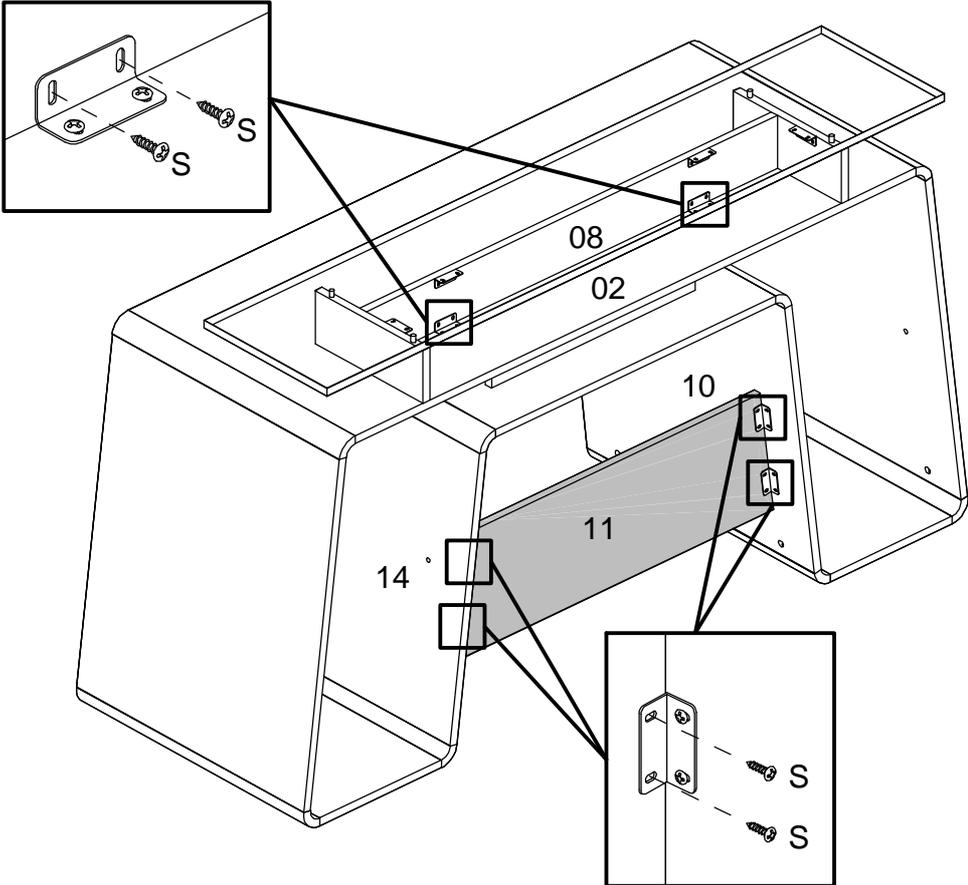

**Step 28:** Join the curved frame (40) and (41) to the assembled section using hardware part A1 and L with a screwdriver (not provided). Then insert the hardware part M to the right division (14) and right side (15).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

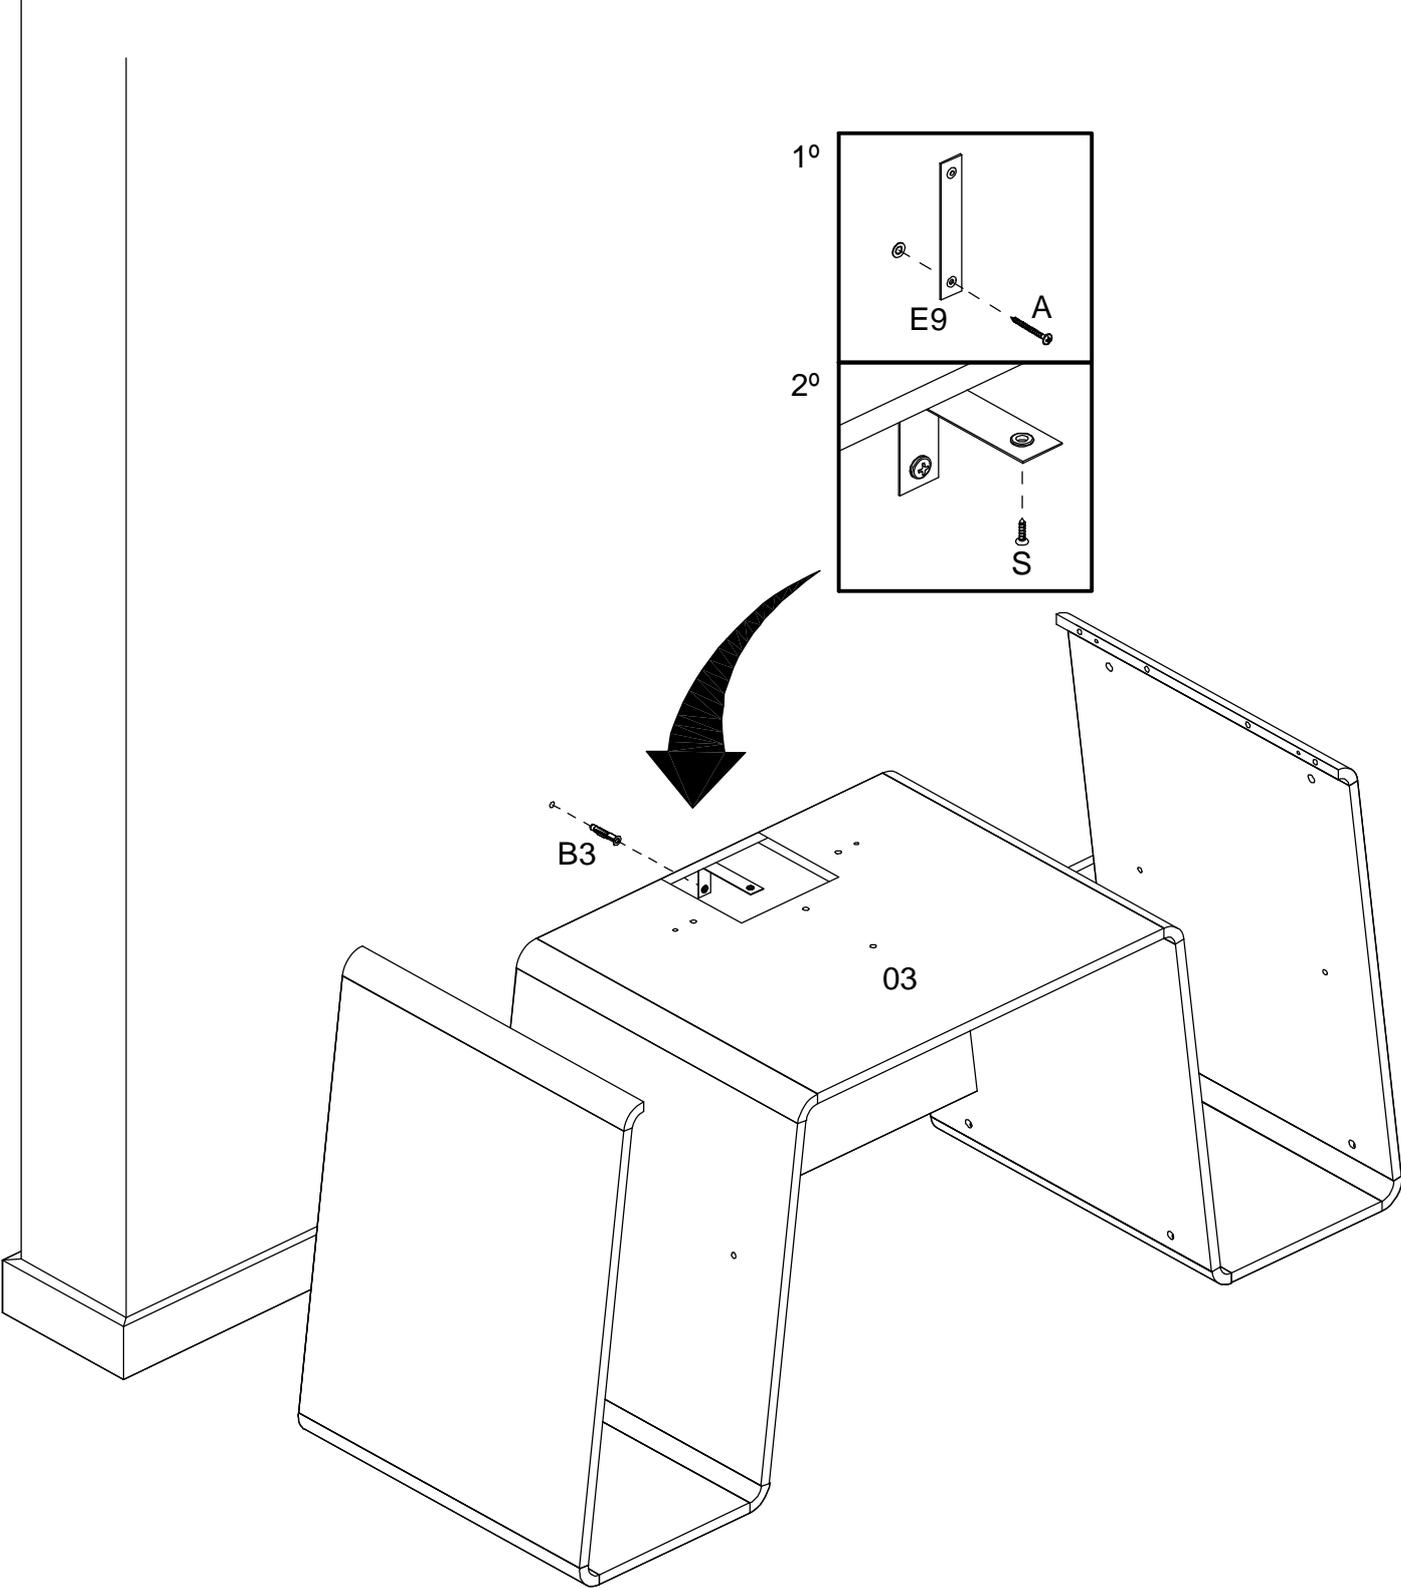

**Step 29:** Insert hardware part L4 using hardware part A8 with a screwdriver (not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**

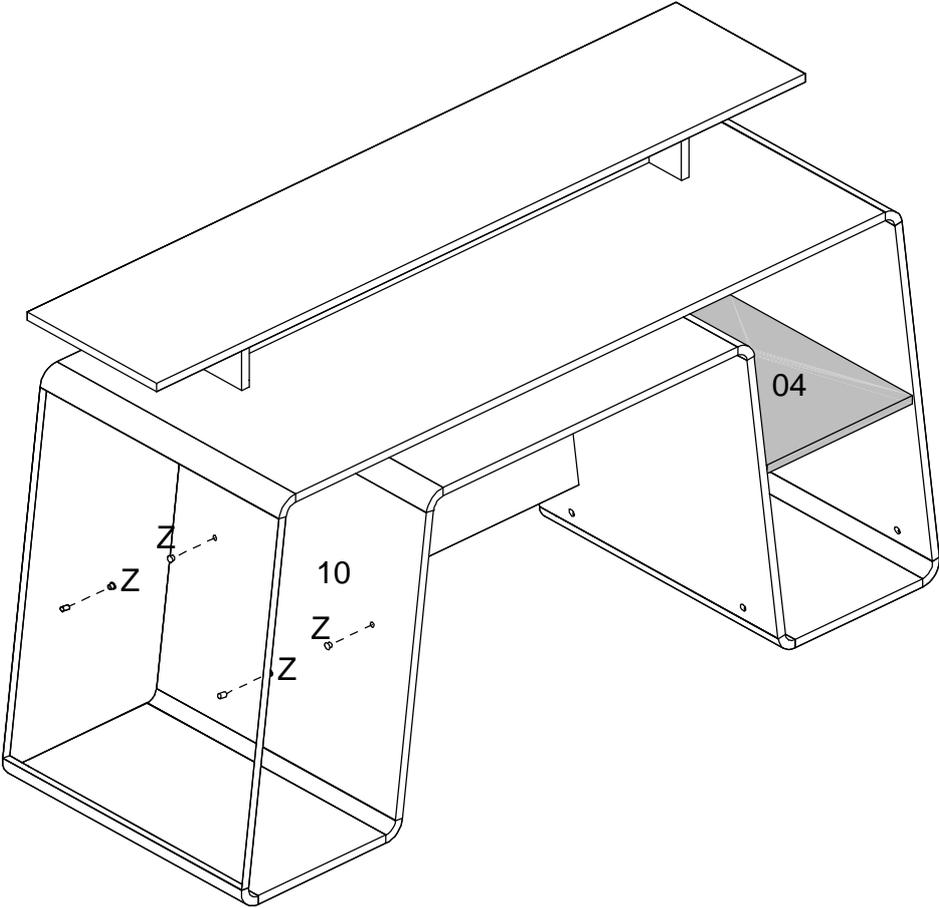

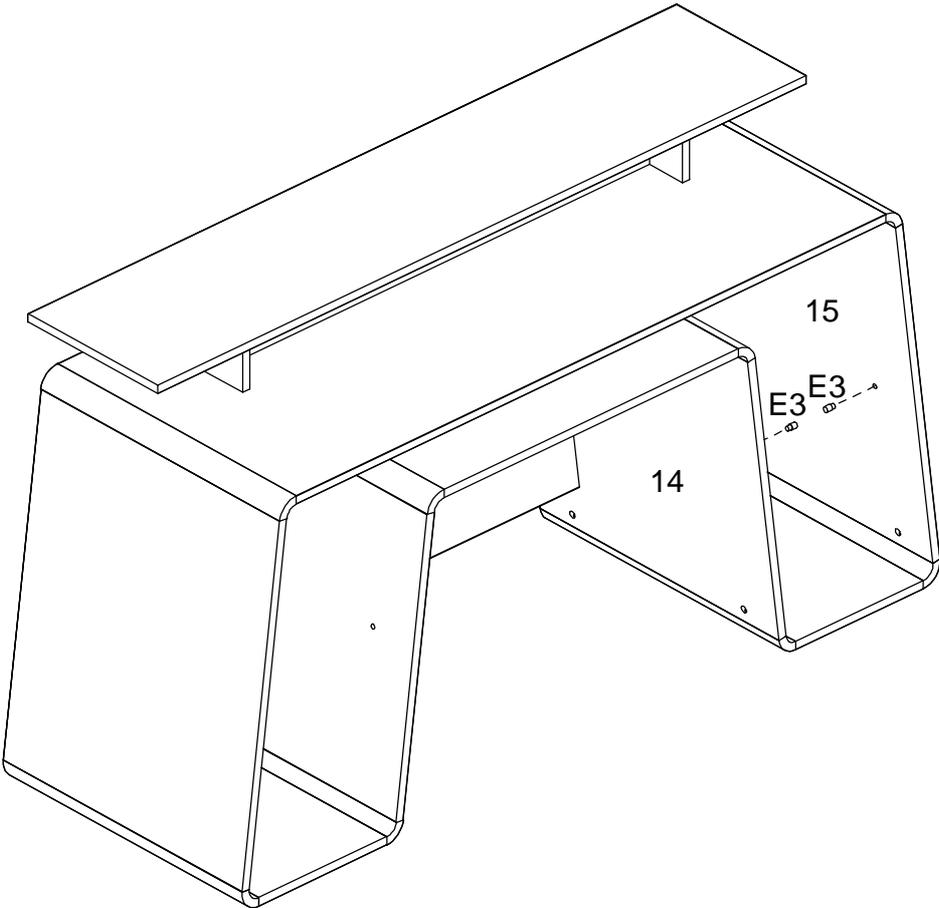

**Step 30:** Join the coast (11) to the assembled section using hardware part S with a screwdriver (not provided).  
Join the tray monitor base (08) to the top (02) using hardware part S with a screwdriver(not provided).  
**DO NOT use any power tools as this may damage the frame and will invalidate any claim.**
